

Key

1. Continuous access 2.1m all weather circuit pathway (500m) long with distance markers and connections to adjoining residential streets and with connections to playspace and amenities
2. Four dual purpose exercise stations installed along circuit pathway as supplementary activities complimenting seniors exercise area
3. All entrances from Thomas Street will be gated except this one as cycleway needs to remain open and ungated. A fence will be installed along one side of the cycleway for up to 30m to corral children that may try to exit through cycleway opening
4. Large new sensitively designed toilet block with appropriate facilities for all users
5. Understory & upper canopy buffer planting

Additional Exercise Stations

Exercise station 2a.

Exercise station 2b.

Exercise station 2c.

Exercise station 2d.
