

F.L.Yott Playground

We've got a plan for play!

Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

WIn March we sought community input on upgrading F.L.Yott Playground.

Now's your opportunity to let us know whether we've got the playground design right.

Have your say online at

bayside.vic.gov.au/haveyoursay

Or call a member of the project team on 9599 4367.

Proposed play equipment

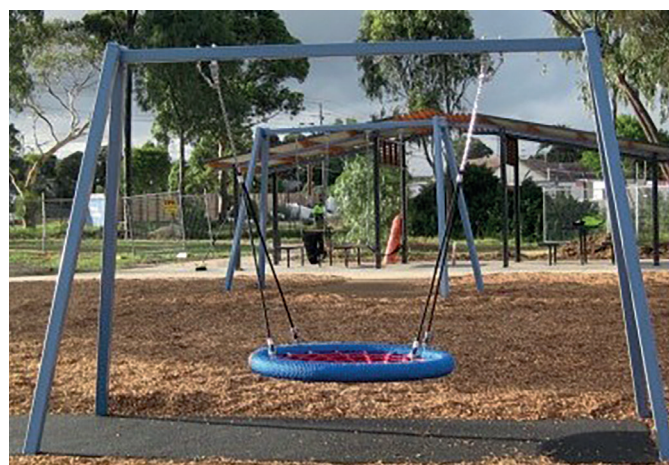

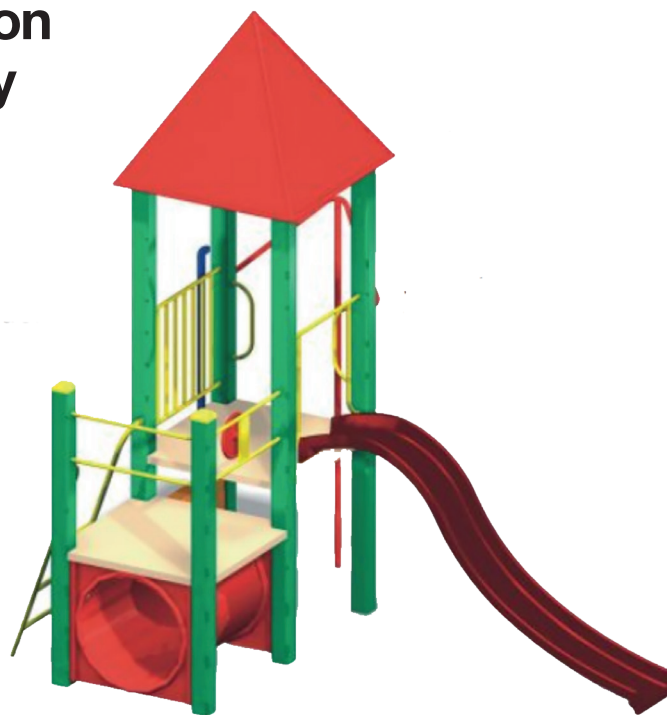

- The existing play tower/slide will be replaced with a new play unit including a slide.
- The existing swings will be upgraded and a new basket swing added.
- The seesaw and spring rockers will be retained.
- A sandpit with rock elements will be added.
- Rubber play surface will be added under the swings.
