

Disability Access and Inclusion Advisory Committee: Expression of Interest

We're looking for local people with lived experience of disability to advise Council on how we can improve access and inclusion and make Bayside better for everyone.

After a one year pilot program, Council unanimously decided to have an ongoing Disability Access and Inclusion Advisory Committee in May 2022.

Expressions of interest to join or continue to be a member of the Disability Access and Inclusion Advisory Committee are now open until 13 June 2022.

The Committee is formed of 10 community members with lived experience of disability and two elected Councillors.

Many members of the pilot committee will be continuing on, but there will be a small number of vacancies which brings a great opportunity to further diversify the Committee's membership.
